liberal large will be allowed.

THE SLAVE GIRL'S PRAYER.

Within the fairet of the Schibbeth bowers,
Breasth by bies, star-jewiled canopy,
and the clustering wises and tregard flowers.

Pather, in a you'l kneel to Thee!

Still bear the fairet memor of the say;
but sha ho will be come to did, save of example,
the shall be supported by the say the same of the say;
but sha ho will be say the same of the say;
but shall be supported by the say the same of the say;
but shall be say the same of the say;
but shall be say the same of the say;
but shall be say the same of the say;
but shall be say the same of the say;
but shall be say the same of the say;
but shall be say the same of the say;
but shall be say the same of the say the same of the say the same of the same

a me lo Thee! I fit me now secretife hated breath—my opicil longs to a convenient hated breath—my opicil longs to a convenient hated breath—mist the about and sorrow, real than death the down of shame and sorrow, read my heart grows sick, my hated to this class a fine of the more with a finite book, yet ob, how his turned with a finite book, yet ob, how his turned with a finite book, yet ob, how his turned with a finite book, yet ob, how his to skey; the clouds of an opicil from down not bearine the last proper ever to be breathed by me; et the clouds of anguish round me durken, I am loning faith and thops in Thee.

Sear me, Pather! les it not be shaken—at me, Pather! les it not be shaken—at my proper! for if by Thee foreaken, alle owns had any uniterior traced one partial heart to high my uniterior traced one partial heart to high my my me band to axee, the redge which the brothen hearted only in the quiet of the grave.
